Dear Mr. Christie:

On behalf of the National Institutes of Health, and by the authority delegated to me under Section 231 of the Public Health Service Act, as amended (42 U.S.C. § 238), I am pleased to accept RPASF's gift of \$20,000. In accordance with your wishes, the funds will be deposited in the NIH Clinical Center Critical Care Medicine Department's Conditional Gift Fund Account and will be used by the NIH Clinical Center Critical Care Medicine Department solely to support research on relapsing polychondritis. Please be advised that there are no conditions imposed as part of this Gift Agreement that constitute an obligation on the part of the NIH to expend appropriated dollars in furtherance of the above named purpose.

Support from organizations such as yours makes it possible for the National Institutes of Health to work toward understanding, preventing, and eradicating disease. We deeply appreciate your help.

Sincerely yours,

James K. Gilman, M.D.
